Subject: Thrift Savings Plan Open Season DD: 7/31/98

The next Thrift Savings Plan (TSP) open season begins May 15, 1998 and ends July 31, 1998. During this open season, as long as you are otherwise eligible, you may elect to begin contributing to the TSP, change the amount of your TSP contributions, or allocate TSP contributions to your account among the three investment funds.

You may invest all or any part of your TSP contributions in any of the three TSP investment funds: the Government Securities Investment (G) Fund, the Common Stock Index Investment (C) Fund, and the Fixed Income Index Investment (F) Fund. This is true whether you are covered by the Federal Employees' Retirement System (FERS) or the Civil Service Retirement System (CSRS).

Who is Eligible. You may make a TSP election this open season if your latest appointment to a position covered by FERS or CSRS was before December 31, 1997, **OR** if your latest appointment to a position covered by FERS or CSRS was on or after January 1, 1998, but before June 30, 1998 **and** you had been eligible to participate in the TSP during a prior open season.

If you stopped your TSP contributions before February 1, 1998 you may resume your contributions this open season. If, however, you stopped your contributions on or after February 1, 1998, you may not elect to begin contributing again until the next TSP open season beginning November 15, 1998.

How the investment opportunity affects FERS employees. Your investment election applies to all contributions to your TSP account, i.e., Employee, Agency Automatic (1%), and Agency Matching Contributions. However, even if you are not making

Employee Contributions, you may still make a TSP election to

invest all or any portion of your Agency Automatic (1%) Contributions in any of the three funds. This is true even if you are not able to make an election to contribute this open season because you stopped contributing on or after February 1, 1998.

How to make an open season election. To make an open season election, submit a completed Election Form, TSP-1, to the National Human Resources Management Center, Employee/Labor Relations and Employee Development Group, HR-220. Forms are available in the NHRMC office, Building 50.

Employees can also make an open season election by utilizing Employee Express. Employee Express is available for open season elections by dialing 1-800-827-6254 on any touch tone phone. You will need your PIN to access the Employee Express. Only one of these methods can be used by employees, do not use both methods to make an open season election.

When open season elections become effective. If your election form is received in and accepted by the NHRMC, (HR-220) by close of business July 3, 1998, it will be effective July 5, 1998. If you make an open season election after this date, it will be effective on the first day of the first full pay period after it has been accepted. For this open season, all elections must be submitted to HR-220 to arrive by no later than close of business July 31, 1998.

Where to obtain more information about the TSP. The booklet, "Summary of the Thrift Savings Plan for Federal Employees," dated July 1995, describes the TSP in detail and will be available in the NHRMC. Also available is the flyer "TSP Open Season, May 15 to July 31, 1998." This flyer contains basic information about this TSP open season.
